message from the president...

I hope you find value in WKU's 2015 Fact Book. This Fact Book—an annual publication designed for anyone seeking detailed information about WKU—presents a thorough and useful statistical profile of the University. The Fact Book provides answers to frequently asked questions by faculty, staff, students, alumni, and friends of WKU. It provides insightful information about WKU finances and demographics related to our students, faculty, and staff.

I invite you to use this Fact Book to increase your knowledge and understanding of Western Kentucky University and to learn more about the special Spirit which defines the WKU experience. It is a good resource for the collecting of information about WKU for most any public or private use. The Fact Book is also available through the Internet at www.wku.edu/institres.

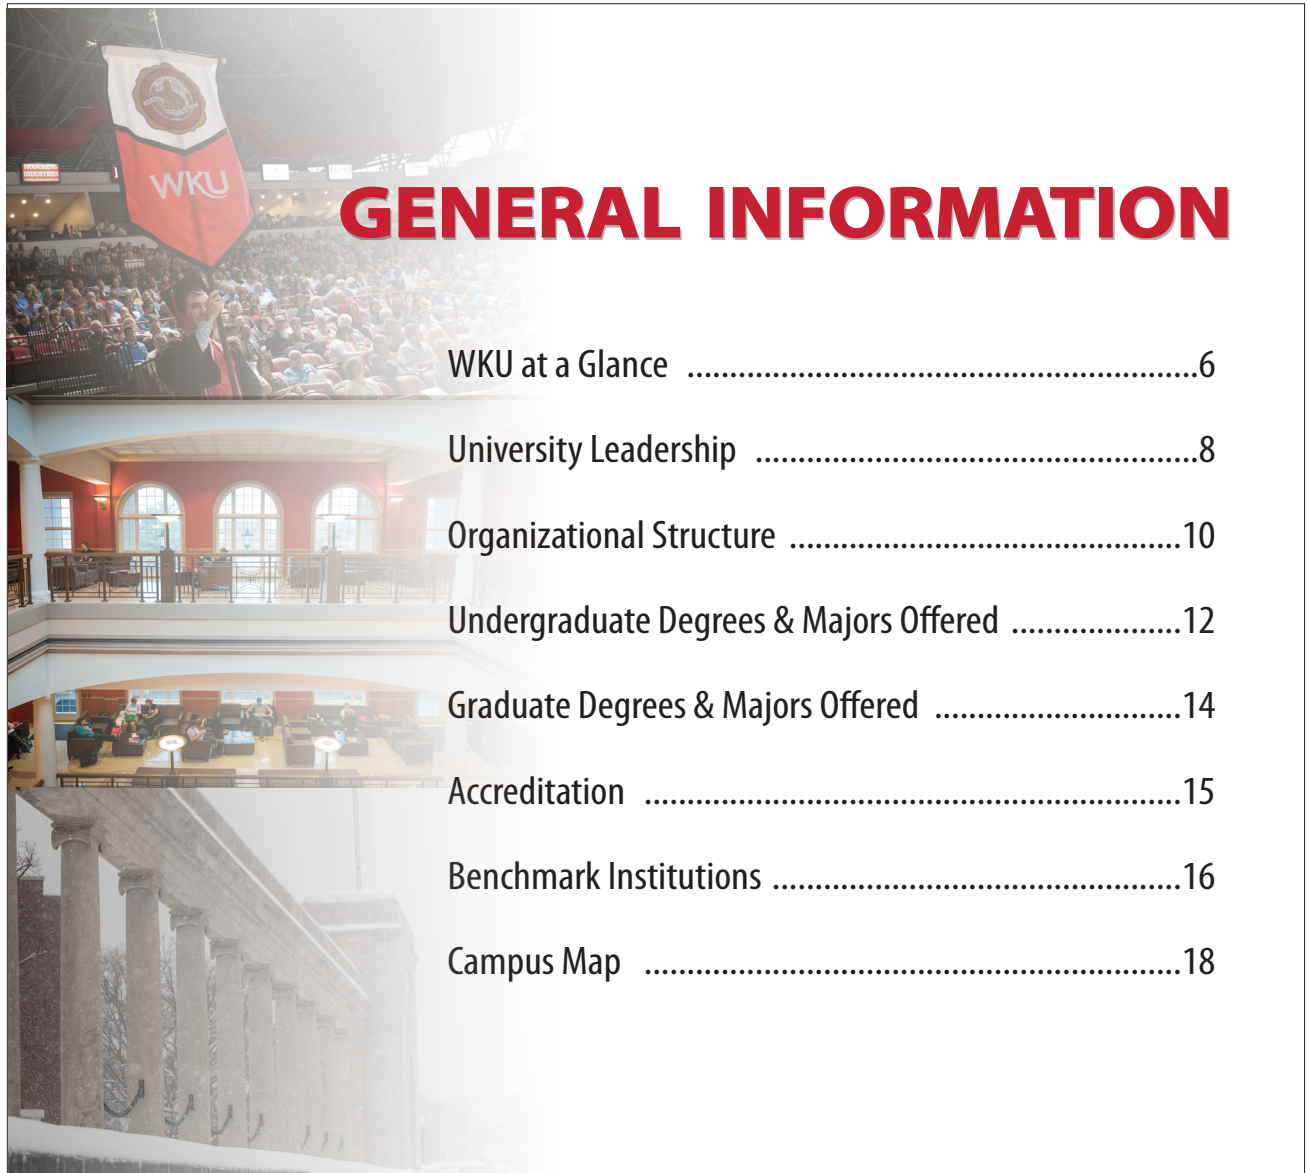

WKU is taking dead aim at achieving our bold but achievable vision to become A Leading American University with International Reach. Our intent is to document achievements of a significant list of meaningful measures which we track very closely. Our firm resolve is quality and relevance in every measurable way. Data in this Fact Book provides the statistical means by which we compare ourselves to peer institutions. It also allows us to track our progress as we grow, achieve academic strength, and fully internationalize the unique WKU experience.

Should you have comments, need additional information, or have suggestions for future Fact Books, please contact the Office of Institutional Research at 270-745-3250.

Thank you,

Gary A. Ransdell

WKU—A Leading American University with International Reach

WKU at a Glance

Western Kentucky University is part of the public Kentucky postsecondary education system, which includes eight four-year institutions and a community and technical college system comprised of 16 institutions. By statute, Western Kentucky University is governed by its Board of Regents. The Kentucky Council on Postsecondary Education (CPE) serves as a coordinating board for the system.

WKU's undergraduate division provides four-year programs leading to bachelor of arts, bachelor of fine arts, bachelor of interdisciplinary studies, bachelor of music, bachelor of science, bachelor of science in nursing, and bachelor of social work degrees. There are 101 academic majors and 110 academic minors available.

Thirteen associate degree programs are offered leading to associate of applied science, associate of arts, associate of interdisciplinary studies, associate of science, and associate of science in nursing degrees. Additionally, 34 undergraduate certificate programs are offered.

The Graduate School offers the following degrees: master of accountancy, master of arts, master

of arts in education, master of arts in teaching, master of business administration, master of health administration, master of music, master of public administration, master of public health, master of science, master of science in nursing and master of social work. WKU also offers the specialist degree, Rank I and Rank II programs, and doctoral programs in Educational Leadership, Nursing Practice, Physical Therapy, and Psychology. In addition, 31 graduate certificate programs are offered.

Vision

Western Kentucky University—A Leading American University with International Reach.

Mission

Western Kentucky University (WKU) prepares students of all backgrounds to be productive, engaged, and socially responsible citizen-leaders of a global society. The University provides research, service and lifelong learning opportunities for its students, faculty, and other constituents. WKU enriches the quality of life for those within its reach.

Sustainability Award

The Princeton Review's
**GUIDE TO 322
GREEN COLLEGES**
Presented in partnership with the U.S. Green Building Council

For the sixth year in a row, Western Kentucky University was profiled in Princeton Review's Guide to 322 Green Colleges in 2014. WKU received this award for demonstrating a strong commitment to sustainability in academic offerings, campus infrastructure, activities, and career preparation.

Statement of Purpose

As a leading American university with international reach, WKU is engaged in internationally acclaimed, student-and-learning-centered academic programs. The WKU experience occurs on several unique campus environments and through an overarching spirit which attracts an intellectually exciting and diverse family of the nation's best students. WKU provides students of all backgrounds with rigorous academic programs in education, the liberal arts and sciences, the health sciences, and business, with emphasis at the baccalaureate and masters levels, complemented by relevant associate and doctoral level programs. The University places a premium on student learning; it is committed to ensuring value in a holistic learning experience through high standards for student achievement and conduct, a strong faculty, technological innovation, personalized attention, broad access, and public accountability for actions and outcomes. Out-of-the-classroom and study abroad experiences enhance learning, promote diversity, and contribute to the success of students.

The University encourages engaged research and public service in support of economic development, quality

of life, and improvement of education at all levels. WKU faculty contribute to the identification and solution of key social, economic, scientific, health, and environmental problems. An inspiring and talented faculty promotes a high level of creative activity and diverse scholarship and an entrepreneurial attitude designed to expand knowledge, improve instruction, increase learning, and provide applied solutions toward high-quality service to the state and nation. The University directly supports its constituents in its designated service areas of Kentucky with professional and technical expertise, cultural enrichment, and educational assistance.

Maintaining a campus of distinctive history and character, WKU sustains a student population of increasing quality. It fulfills its responsibility for access through its main and regional campuses, and through extensive distance learning opportunities. WKU recognizes that its mission continues to evolve in response to regional, national, and global changes, and the need for lifelong learning.

UNIVERSITY LEADERSHIP

Five Year Enrollment Change*

Fall 2010-Fall 2014

at a glance...

Since the race reporting changes that occurred five years ago, the non-resident alien category saw the largest increase. This category grew by more than 800 students, an increase of 143%.

*important data changes...

Effective Fall 2010, race categories changed to accommodate state and federal reporting requirements making longitudinal analysis before or after the data change inadvisable. Specifically, the former category "Asian/Pacific Islander" was split into "Asian" and "Native Hawaiian/Pacific Islander", multiple races were accepted in a new "Two or More Races" category, and Hispanic students were reported as "Hispanic" regardless of any other race(s) selected.

For more information about the change in race/ethnicity reporting requirements, visit the Race/Ethnicity Information Center at <http://nces.ed.gov/ipeds/resource>

Student Origin Fall 2014

Most WKU students are from Kentucky. Four of every five undergraduate students are in-state, with one in five originating from Warren County. There is, however, a higher concentration of out-of-state/international students at the graduate level, with a third of students from outside Kentucky.

*Duplicated enrollments count multiple majors of all credential-seeking students: certificate, associate, baccalaureate, masters, rank, specialist, & doctoral. Fall stats reported.

**Duplicated credentials count multiple majors & include certificate, associate, baccalaureate, rank, masters, specialist & doctoral credentials awarded. Academic year reported includes summer, fall & spring. For example, the 2009/10 academic year would include degrees awarded in summer 2009, fall 2009 & spring 2010.

†Biochemistry is an interdisciplinary major that utilizes faculty/courses from multiple Ogden College departments. Since this major cannot be classified under a single department, it is listed separately.

††Due to the interdisciplinary nature of the Mathematical Economics program, students in that major are reported in both the College of Business & College of Science.

†††Middle School Science Education is an interdisciplinary program that utilizes faculty/courses from multiple Ogden College departments. Since this major cannot be classified under a single department, it is listed separately.

Student credit hour production (SCHP): Calculated by multiplying the number of students enrolled in a course by the credit hours awarded for the course. For zero credit courses, a formula based on official contact time is applied to determine equivalent credit hours.

Student credit hours are awarded to Colleges and Departments based on the type and location of the section, which assigns SCHP credit to 400G courses (graduate sections that are cross-listed with an undergraduate course) as well as Interactive Video Services (IVS) Courses that are serving the regional campuses properly.

Additionally, SCHP generated in Independent Learning, Cohort Courses, Dual Credit Courses and Navitas Courses are included in the calculation of College and Departmental SCHP. Source: WKU Office of Institutional Research
