

Department Name

The following schedule is a tentative rotation for the courses offered by the Department of Chemistry at the main campus. Rotation may be changed due to demand or staffing.

Course Information		Semesters Offered		
Number	Course Name	Fall	Spring	Notes
101	Introduction to Chemistry	X	X	
105	Fundamentals of General Chemistry	X	X	
106	Fundamentals of General Chemistry Lab	X	X	
107	Fundamentals of Organic Chemistry	X	X	
108	Fundamentals of Organic Chemistry Lab	X	X	
109	Chemistry for the Health Sciences	X	X	
111	Introduction to Forensic Chemistry		X	Even years
116	Introduction to College Chemistry	X	X	
120	College Chemistry I	X	X	
121	College Chemistry I Laboratory	X	X	
222	College Chemistry II	X	X	
223	College Chemistry II Laboratory	X	X	
299	Introduction to Chemical Research	X	X	
304	Biochemistry for the Health Sciences		X	
320	Inorganic Chemistry I	X		
330	Quantitative Analysis	X	X	
340	Organic Chemistry I	X	X	
341	Organic Chemistry Laboratory I	X	X	
342	Organic Chemistry II	X	X	
343	Organic Chemistry Laboratory II	X	X	
398	Undergraduate Seminar	X		
399	Research Problems in Chemistry	X	X	
420	Inorganic Chemistry II		X	
421	Inorganic Chemistry Laboratory		X	
430	Forensic Chemistry		X	Odd years
435	Instrumental Analysis	X		
436	Instrumental Analysis Laboratory	X		
446	Biochemistry I	X	X	
447	Biochemistry Laboratory	X	X	
450	Physical Chemistry I	X	X	
451	Physical Chemistry I Laboratory	X	X	
452	Physical Chemistry II		X	
453	Physical Chemistry II Laboratory		X	
467	Biochemistry II		X	
470	Chemistry/Middle School		X	Odd years
