

Request For TRANSFER Credit Equivalency

For Majors and Minors

If a course is listed on a student’s transcript or iCAP audit as **TRAN EL-L** (transfer elective lower level) or **TRAN EL-U** (transfer elective upper level) or **SUBJ EL-L** (i.e. BIOL EL-L), it means one or the following:

- WKU does not have an equivalent course, but the course counts as degree credit.
- An equivalency has not yet been determined, but the course counts as degree credit.

Students: Take this form to your advisor to determine the applicability of your transfer course to your major or minor requirements. It is your responsibility to provide a catalog or course descriptions of the transfer courses. If you have coursework from more than one transfer institution, you need to complete a separate form for each institution.

Education Abroad Students: If you propose coursework for more than one academic department, you need to complete a separate form for each department.

Advisors and Academic Department Heads: This form is for Education Abroad who have courses that have not been articulated to a specific WKU course. To approve an equivalency of a transfer course to a WKU course for all students, the department head of the WKU course should sign this form. Academic department heads may not approve an equivalency to a WKU course if the course is not within his or her department. Courses not articulated to a WKU course will fall to the General Elective portion of the audit. If the student has more than one transfer institution, a separate form is needed for each institution.
