Re: COMM 494 – Capstone in Communication

As of today, there are 19 students signed up for the two sections of COMM 494 – 7 in the afternoon section (001) and 12 in the night class (500). There are more who need to sign up for either the fall or spring semester.

You must come by the office to fill out the COMM 494 form. (You must have completed a minimum of 24 hours in communication classes. Students who declared late in their undergraduate program may be admitted by permission of the Department Head). Be in touch soon!
