Do you have (or have you had) any problems at the internship? Explain the problems, how resolved, with whose help, etc.

If you were to repeat this internship, what changes would you suggest?

Are accomplishing your personal learning goals and objectives established for the internship?

Are there additional work activities/projects at the internship in which you would like to get involved?
How will you go about getting involved in these additional activities?

What suggestions can you offer the Department of Communication for additions to our course offerings?
