Graduate assistants are appointed for one academic year or one semester with the possibility of renewal. In those programs, which require two years of completion, graduate assistants are allowed to hold an assistantship appointment for a maximum of two academic years. Continuation of the assistantship is contingent upon the following:

- 1. Satisfactory progress toward the degree,
- 2. Maintaining a 3.0 or better cumulative GPA,
- 3. Completing graduate courses at the rate expected for a full-time student, and
- 4. Fulfillment of duties as determined in the assistantship appointment.

The progress of the assistant will be evaluated at the end of each semester to determine his/her eligibility to continue in the position for the term of appointment. Academic department heads and college deans reserve the right to terminate a graduate assistant if the student is not fulfilling the terms of appointment.
