CONFINED SPACE ENTRY PERMIT

WESTERN KENTUCKY UNIVERSITY

	Date/Time Issued:	Date/Time Expires:
	Job site/Space I.D.:	
	Entry Supervisor:	Other Persons Involved:
	Attendant(s):	
	Purpose of entry:	List of hazards
Asbestos Air Monitoring Requested?	**YES NO**	

Initial Atmospheric Check	Ventilation Modification			
Time:	Mechanical	Y	N	N/A
Oxygen %:	Natural Ventilation only	Y	N	N/A
Explosive %:	Steam Utility Manhole - Mechanical Ventilation Shall Not be Used			
Toxic (H_2S ppm):	Respiratory Protection Required			

Isolation Checks			
Piping blanked or disconnected?	Y	N	N/A
Electrical equipment locked out and tagged?	Y	N	N/A
Mechanical equipment locked out and tagged?	Y	N	N/A
Vehicle/pedestrian barriers in place?	Y	N	N/A

Atmospheric Check After Ventilation and Isolation

Time	Oxygen %	Explosive %	Toxic (ppm)	Tester (initials)

Communication Procedures

List method(s) of communication

Rescue Procedures

For all entry rescues call the BGFD at **393-4831** and WKU Police at **911** (campus phones) or **745-2548** (off-campus phones).

List non-entry rescue team and equipment in use:

Safety Checklist							
Gas monitor tested and calibrated	Y	N	N/A	Adequate lighting provided	Y	N	N/A
All persons have current training	Y	N	N/A	Explosive proof lights	Y	N	N/A
Respiratory protection required	Y	N	N/A	Spark proof tools	Y	N	N/A
Safety harnesses, lifelines inspected	Y	N	N/A	Emergency Escape Plan	Y	N	N/A
Extreme heat or cold anticipated	Y	N	N/A	Emergency Services Alerted	Y	N	N/A

List personal protective equipment used

Periodic Atmospheric Tests

Time	Oxygen %	Explosive %	Toxic (ppm)	Tester (initials)
