

WETHERBY AND POTTER ENTRANCES CLOSED FOR STEAM LINE REPAIR

Due to steam line repairs the first floor entrances of both the Wetherby Administration Building and Potter Hall will be closed beginning Friday, July 1st for an estimated three week period. Pedestrian traffic should use the basement and ground floor entrances of WAB and the second floor entrance at Potter Hall. There will be no handicap accessibility to WAB during this time. Please exercise caution in this area during this time.
