

**WESTERN KENTUCKY UNIVERSITY**  
**Petition for Acceptance of Credit Earned at Institutions**  
**Not Accredited by Regional Accrediting Associations**

---

Western Kentucky University accepts credit from other institutions if the institutions have met the accrediting standards of the appropriate regional accreditation association. Students who previously earned course credit from a non-regionally accredited institution may petition for recognition of that credit. Consideration will be given to courses whose content suggests competencies at least equivalent to courses offered by Western Kentucky University.

This form must be completed to petition that such credit be accepted. One form is required for each course petitioned for acceptance. Credit will be recorded on a student's academic record only after the WKU academic department head has reviewed the course content. It is the student's responsibility to provide all necessary documents to the dept head for request for approval. This form, a course description, and course syllabus should be presented to the head of the department in which the course is offered at WKU. A possible interview may be required. The Office of Admissions will not make any changes without the form returned and signed by the department head.
