

E*Subscribe --ERIC Electronic Document Subscription Service

E*Subscribe provides full-text access to approximately 80% of ERIC documents published since 1997, and access to abstracts of documents from 1966-1996. These full-text publications are from ERIC's Resources in Education (RIE) file, and apply to items with an ED (document) number, NOT an EJ (journal) number. **E*SUBSCRIBE DOES NOT INCLUDE JOURNAL ARTICLES.**
