The Carol Martin Gatton Academy of Mathematics and Science in Kentucky Educator Recommendation Form

The purpose of this recommendation form is for the Admissions Committee to receive the most accurate and complete picture of the applicant. Please ensure that you answer each question to the fullest extent of your knowledge of the applicant. If your relationship to the applicant does not allow you to answer a particular question, indicate that you have an insufficient basis for judgment. Attach additional pages if the space provided is insufficient.

1. Describe your relationship to this applicant.

2. Describe this applicant’s typical classroom performance and preparation (active/passive, timeliness of required assignments, attitude, understanding of material, leadership qualities, etc.).

3. If possible, assess the applicant’s writing ability (organization and structure, clarity of ideas, appropriate use of prose, etc.). For mathematics and science teachers, assess the applicant’s ability to explain complex concepts relating to your class(es).

All recommendations must be accompanied by the Cover for Recommendation.
4. Given the curriculum provided by the applicant’s school and the applicant’s choice of coursework, do you think this applicant has pursued rigor in coursework and is achieving at his/her potential?

5. Do you think the Gatton Academy would be a good fit for the applicant? Explain.

6. Please include any additional information not already addressed on the recommendation form that may be of use to the Admissions Committee.
