The questions below are designed to see how well you fit with the program. Please provide a thoughtful and thorough response to each of the following questions.

1. How would you describe community service?
2. List and describe some of the service activities you and/or family have been involved with in the past four years.
3. Describe the talents, skills, energy, and perspective that you may bring to service work.
4. Describe a social or community issue for which you have passion or would like to learn more about.
5. With this program, you will be required to do approximately ten hours a week of community service. Given your responsibilities as a student and young adult, time management is crucial. Describe how you manage your time commitments?

Letters of Recommendations:

Please ask three individuals, not related to you, who are familiar with your community service involvement and/or your family responsibilities, to write a letter of recommendation for you. Be sure they address:
- Your ability to work and relate to other people
- Your ability to work under pressure, adapt, and demonstrate good judgment
- Your abilities, interest, skills, training, experience, and eagerness to continue developing these areas.
- Your trustworthiness
- And give an overall recommendation for the applicant’s candidacy to the Bonner Leader Program.
