

Regional Stewardship Program Forum Data Analysis

*To view the complete document in detail, contact Paul Markham at paul.markham@wku.edu

The following summary is based on an analysis of the individual needs submitted by the participants of the five Regional Stewardship forums. From the 745 total data samples there were 50 need categories identified.

Each of the Identified Needs Categories falls into one of these four Strategic Area Priorities:

STRATEGIC AREA PRIORITY LIST

1. Nurturing Communities
2. Education
3. Healthcare
4. Economic Development
