Use the links to access your course materials.

Go ahead, explore the buttons, find the syllabus, and get going! Remember that the first day of class may not be here yet and your instructor may still be changing things around and adding new things, so don't expect this to be the whole course when you look today. You may get to this page and your course is not listed. You haven't done anything wrong - your instructor has not allowed you access to the course yet, so be patient.
