Boyce D. Tate Scholarship

Information

Scholarship highlights and requirements. Note for AY 2015/2016 the award will be increased to $1,700 due to an increase in available funding.

- Recipient will be designated as the "Boyce D. Tate Scholar".
- Recipient must be a full-time student at WKU, have completed their pre-major requirements in their engineering program (includes completion of the appropriate form in Top Net to update their major code by the beginning of Fall 2015), and be pursuing a degree within the Engineering Department in Ogden College of Science and Engineering at Western Kentucky University.
- Recipient must demonstrate financial need.
- Award will be made annually.
- The award is renewable each year that the recipient needs to complete the degree up to a maximum of 5 semesters, provided the recipient continues to make progress towards their engineering degree and retains a record of good citizenship.
- Recipient must possess the personal qualities of character, integrity, dependability, industriousness and human compassion which produce leaders, and merit the honor of the “Boyce D. Tate Scholar” award designation.
- Recipient will be selected by the WKU Engineering Department Awards and Scholarship Committee from individuals who complete the required application and meet the requirements outlined above.
- **Application Deadline:** April 15th, 2015 (submit to Patricia Harper in the Engineering Department Office – EBS 2101)
