Logan Aluminum Scholarship Eligibility Guidelines

These $1,000 scholarships will be awarded to three engineering students each year. All recipients will be required to reapply each year to be considered for this award.

1. Recipients must complete the WKU Scholarship Application for Returning Students available through your TopNet account under the financial aid tab or as a pdf from Debbie Berry. You may also find a link on our www.wku.edu/engineering website under Scholarships.
2. Recipients must submit the completed application to the Engineering office (or email to Debra.berry@wku.edu) as well as to the Financial Aid office. If you complete the form in TopNet, be sure to print a copy to turn into our office with your essay for the Logan Al. scholarship.
3. Recipients must be majoring in Electrical or Mechanical Engineering.
4. Recipients must have completed their pre-major requirements in their engineering program and completed the appropriate form in TopNet to update their major code by the beginning of Fall 2015. (For example, if you were in 543P, you must be in 543 by Fall 2015 to be considered.) See your advisor for details on the Pre-Major to Major transition.
5. Recipients must have a cumulative GPA >= 3.0
6. Recipients must be a resident of the state of Kentucky and reside in the 10 county BRADD (Barren River Area Development District) area which includes Allen, Barren, Butler, Edmonson, Hart, Logan, Metcalfe, Monroe, Simpson, and Warren counties. Your permanent residence must be in one of the BRADD counties.
7. Recipients must complete and attach a single page, double spaced essay to their application answering the following question:

What are your personal plans and aspirations for your future engineering career or for your future post graduate work and research?

Be sure your first and last names are on the essay page. The essay along with your completed WKU Scholarship Application must be turned into Patricia Harper in the Engineering office no later than April 15th or it may be emailed to debra.berry@wku.edu by the deadline.
8. Awards will be made annually.
9. Applicants who currently receive a WKU Presidential, a 1906 Founders, a Hallmark Scholarship, or any other scholarship covering full tuition, books, and room & board are ineligible to apply.
10. Recipients will be selected from the eligible applicants who submit the required application and documents and who meet all of the requirements outlined above by the WKU Engineering Department Awards and Scholarship Committee.
11. Application Deadline is April 15. All Applicants will be notified by mid-August.
