Get Advised! Get Registered!

Fall priority registration is just around the corner! Are you ready to get advised?

Students should schedule an appointment with their academic advisor or plan to see an AARC advisor in a residence hall (please refer to the left column for dates and times).

Students may register for classes on or after their assigned date as long as there are no holds on their account.

Registration dates are assigned by class standing and last name.

Please come prepared to your advising appointment by following these steps:

1.) Review the general education requirements listed [here.](#)

2.) Make a tentative list of courses you wish to take, including at least three alternatives.

3.) Bring a piece of paper, a pencil, an iCAP report, and a list of any other questions you may have concerning your college career.

4.) Arrive early or expect to wait for the next available appointment.

5.) Be ready to discuss thoughts of potential majors. Remember you must declare a major before you earn 60 credit hours.
