

2010 – 2011 Explanation of Financial Support Worksheet

The information on your **2010-2011 FAFSA** suggests that your (or your family's) combined 2009 income was unusually low for the number of people in your family. You have reported a combined family income that is less than 50% of the 2009 Poverty Guidelines published by the U.S. Department of Health and Human Services (<http://aspe.hhs.gov/poverty/09poverty.shtml>).

Please clarify your family income AND any non-monetary support you received from ANY source in 2009 using the worksheet below.
