Western Kentucky University

Resources for Education and Treatment

A. Campus Services for Students

1. Consultation for problems related to alcohol and other drug use are provided by Graves Gilbert Clinic at WKU Health Services, and the Counseling & Testing Center. Students who believe they have a problem or who have a concern about another person are encouraged to seek assistance.

2. Graves Gilbert Clinic at WKU Health Services staff and Counseling & Testing Center staff are available for consultation and coordination, to identify resources both on and off campus, and to monitor and support progress in addressing concerns. As appropriate and with permission of the person seeking assistance, a plan to address problems may include the involvement of other important support systems such as Housing and Residence Life, the Learning Center, and Athletics. The Student Handbook may be referenced for additional information.

3. If screening indicates a problem requiring more focused treatment, individuals will be referred to appropriate community health resources. Graves Gilbert Clinic at WKU Health Services and the Counseling & Testing Center maintains a list of community agencies meeting a range of needs and financial capacities. Individuals are responsible for costs incurred for off-campus services.
