

## INTERFRATERNITY COUNCIL

The Interfraternity Council is the collective voice and representation of Western's fraternity system and is composed of one delegate from each of the campus' fifteen (15) chapters. The executive body consists of a president, vice-president, secretary, treasurer, membership director, public relations director, academic director and activities director. The IFC serves the fraternities in many ways but is primarily responsible for the promotion of the system as a collective group. The IFC unites Western's fraternities by sponsoring such events as the Greek Academic Awards Program, Greek Week, and the Greek Leadership Symposium, all of which allow the chapters an opportunity to work and socialize together. If and when the need arises, the Council serves in a judicial capacity to resolve disputes.

The Interfraternity Council represents fraternity men of different affiliations working together to improve not only the Greek system, but college life as well. One of the most important responsibilities of the IFC is to administer fraternity pledgship. All men interested in learning more about fraternity membership should contact the IFC office located in Room 329 of Downing University Center (745-2459). All men who are not first semester freshmen must have a 2.0 grade point average to be eligible for pledgship. This academic requirement is strongly enforced by the IFC.
