WKU Libraries Subject Guide to Current Periodicals

The WKU Libraries Subject Guide to Current Periodicals began in 1989 as a printed guide to help users identify journal titles associated with WKU departments or programs.

The following list shows print journal subscriptions corresponding to WKU academic disciplines. These journals are housed on the second floor of the Helm Building. Please note that these only include print subscriptions, since the list of online journal subscriptions would be too long to print out. To determine whether WKU has access to specific E-journals, please use the Libraries’ E-Journal Finder (TDnet), available on our webpage at http://www.wku.edu/library.

Newsletters are not included; however, all newsletters, microform, periodicals, newspapers, and serials (both print and electronic) can be searched on TOPCAT. Useful information, such as which issues have been sent to be bound, lapses in subscription issues, or new titles on order, can be found in TOPCAT. We encourage all library users to consult TOPCAT for complete information and for linked resources.

Electronic Journal Searching: Access information about WKU Libraries' online journals (including full-text, if available) through TDNet, WKU Libraries' Electronic Journal Finder (TDnet). You can also search EBSCO, Lexis-Nexis, etc., by clicking Databases (alphabetical by name or grouped by subject) from the libraries' webpage at http://www.wku.edu/library.

Please direct any suggestions for future enhancements, corrections, and comments of this listing to: Connie Foster, Professor, Head, Dept. of Library Technical Services, Cravens Library, 301A; 270-745-6151.
