MUSIC CAMP AT A GLANCE

HOST SCHOOL & LOCATION

Western Kentucky University (WKU) is a student-centered, applied-research institution committed to providing its students with a transformative academic and social experience and to elevating its surrounding communities. Founded in 1906, WKU is the second largest undergraduate institution in the Commonwealth of Kentucky with approximately 15,035 students. Located 65 miles north of Nashville, TN, and just over 100 miles south of Louisville, KY, Bowling Green, KY is home to approximately 70,000 residents. Our population is ethnically diverse, with more than 85 languages spoken in and around Bowling Green, and people from 35 nationalities call our community home.

FACILITIES & EQUIPMENT

Campers will enjoy the use of state-of-the-art facilities while at WKU. Music Camp rehearsals and activities will also be housed in the Music Hall and Ivan Wilson Fine Arts Center, which include classrooms, faculty studios, two large rehearsal halls, percussion studio, practice rooms, instrument storage and library space, a computer lab, a MIDI keyboard lab, and a recital hall.

Camp activities led by camp staff and counselors will take place during unstructured time on the WKU South Lawn, Downing Student Union, and Preston Recreation Center. Facilities include swimming pool, basketball courts, racquetball courts, volleyball courts, game room, and more!

Each instrumentalist will be expected to bring his or her own instrument. Students playing school-owned instruments should check-out their instrument from his or her school band program. Only concert percussion equipment and pianos will be available from Western Kentucky University.

PIANO CAMP

Piano Camp will be available to students from grades 6th through 12th who have performed on piano for at least two years. Instruction in technique, literature, musicianship, ensemble performance and theory will be a part of the camp. Each piano camp student will receive private lessons during the camp. Total cost for the Piano Camp is \$559, which includes lessons. Piano campers should bring at least three pieces of standard literature (no pop arrangements, please) to camp, two of which should be performance ready.

PRIVATE LESSONS

Private Lessons are available on each instrument and piano. The fee for a half-hour lesson is \$30 and may be elected by any camp student. Full hour lessons are available to students in grades 9-12, and the cost is \$60. (Private lessons are required for piano campers.) Band students with previous piano experience, regardless of age, may elect to receive a one hour piano lesson in addition to instrumental lessons. The fee for a one hour piano lesson for band students is \$60.

HOUSING, MEALS & SUPERVISION

Dorm campers will be housed in WKU residence halls. Both dorm and day campers will eat all meals in the Fresh Foods Company Cafeteria. Dorm campers must bring their own sheets, towels and pillow from home. Campers will be housed two per room. Friends who wish to room together should indicate this on the application. Housing for Friday night is not provided.

Meals begin Sunday evening after check-in and end with Lunch on Friday - 15 meals in all. All meals will be served cafeteria style, and students will be allowed to eat as much as they wish at every meal with a wide variety of choices.

While staying in the residence halls and during all hours of day camp, all campers will be under the careful supervision of the Camp Staff. Counselors will live in the residence halls and assist with all rehearsals and daytime activities in order to closely monitor all aspects of camp life.

HEALTH CARE

In the event of an illness or injury to a camper, camp staff will contact parents and escort the camper to the health care facility for prompt, professional medical care. The Med Center of Bowling Green has an on-campus clinic for care throughout the week. Medical forms will be collected during registration should information be required for medical care. Costs resulting from medical care, medication, x-rays, or lab work are the responsibility of the parent. In the unlikely event that a student would need hospital care, immediate transportation would be arranged. Costs resulting from hospital treatment are the responsibility of the parent.

ADDITIONAL INFORMATION

After your application has been received and accepted, we will forward additional material to you. This will include check-in times on Sunday afternoon, what to bring, a medical history and permission for treatment form, a map, a sample schedule, and all the other information needed to plan for camp.
