Girls In Science Day

Saturday, September 6th

Girls in grades 5 through 12 will have the opportunity to explore various topics in math, technology, engineering and science during exciting interactive sessions. Attendees will meet women employed in STEM careers. At the end of the day, participants will view a spectacular Chemistry show. Excellent field trip opportunity!

Separate Sessions for girls:
* 5th to 8th grade
* 9th to 12th grade

Pizza lunch will be provided

Only $10 per girl

Space is limited so pre-register now!
