

Western Kentucky University

DIDDLE ARENA RECYCLING PROGRAM

When?

2017-2018 WKU Men's and Women's Basketball Season, every home game. Times will vary, though each game requires a time commitment of 4 hours.

Why?

1. Earn \$500 for your student organization or your philanthropy of choice
2. Earn Service Hours
3. Receive a FREE (and cool) Recycling t-shirt
4. Learn about recycling and waste reduction at WKU
5. Show school spirit — support the WKU Men's & Women's basketball team!

Who?

Any WKU Student Organization may participate. We require a minimum of 30 volunteers, but there is no maximum. Smaller student organizations may partner with another student organization and share the donation.

How?

Contact Elizabeth Gafford at elizabeth.gafford@wku.edu to be placed on a contact list. As soon as the basketball schedule is released, student organizations will be able to sign up for home games on a first-come first-serve basis.
