Catalog Description: Principles and techniques of leadership and management including leadership techniques, introduction to basic military weapons, and ethics and professionalism.

Course Prerequisites: Permission of PMS.

Course Objectives: This course will enable the cadet to:

- Learn the individual and collective skills needed to become an effective leader in today's Army.
- Learn and develop individual and collective standing operating procedures and battle drills to become effective troop leaders at squad, platoon and company level.
- Continue to hone your ability to receive a mission statement and deliver a well-conceived written and oral WARNO and OPORD. Continue to apply the Troop Leading Procedure.
- Master required military skills of land navigation, rifle marksmanship, physical stamina to excel and progress as a leader, leadership and drill and ceremony.
- Be knowledgeable of the Leadership Development Program (LDP). This is used to develop and evaluate leadership floors in garrison and tactical scenarios. This is also the tool that will be used to evaluate your performance at the Leadership Development Assessment Course (LDAC).
- Plan and execute classes on military subjects and present these classes to your peers.
- Lead physical training IAW FM 21-20, lead and control a squad, platoon, and company in garrison IAW FM 22-5, and lead and control a squad and platoon in a tactical environment IAW FM 7-8.

Required Textbooks: Leadership and Problem Solving Military Science and Leadership MSL 301, Sheila Visconti, editor. McGraw-Hill, 2002. All required Field Manuals will be provided.

Course Fees: A \$10 non-refundable course fee is charged upon registration.

Assignments: I expect cadets to read and study homework assignments. I will establish a due date for oral and written assignments. Late work is not tolerated and you will receive a zero for any assignments that you do not turn in on time. **All cadets must participate in an extra curricular activity. Activities to choose from include: Color Guard, Scabbard and Blade, Ranger Challenge, or Ranger Club.**

Physical Training: Physical Training takes place M-T-W-R in Diddle Arena from 0645-0800 in the Auxiliary Gym. The goal for MS IIIs on the APFT is 285. MS IIIs will lead physical training. MAJ Goglia or MSG Embry will approve the physical training plans one week prior to execution. The first date for MS III led PT is 12 January. Failure to pass the APFT (60/60/60) and height/weight standards by 31 January will result in your attendance at remedial PT on Friday mornings beginning 07 February . PT attendance: You must be present for 90% of the PT sessions this semester, if you fall below this you will be required to attend remedial PT. If you do not attend at least 90% you will receive an incomplete for the course. If you have a conflict that prohibits you from attending PT then you must meet with me the 1st week of class to come up with a plan.

Course Evaluation Plan: The following plan is used to evaluate cadet work and to determine letter grades in accordance with university regulations. There are 100 possible points for this course. Course points are as follows:

Point Assignment:

Lab Attendance	10 points	A = 90-100%
Final APFT score	10 points	B = 80-89%
Presentation	20 points	C = 70-79%
Quizzes/Extra	10 points	D = 60-69%
Midterm	20 points	F = < 60%
Final Exam	30 points	
Total:	100 points	

Attendance Policy: Cadets must attend all classes, PT sessions, labs, and FTXs. Failure to notify the MS III instructor 24 hours prior to missing an activity will result in an unexcused absence. Each unexcused absence will result in a 1-point deduction from the final point total.
