1. Identification of course:
   1.4 Course prefix (subject area) and number: CM 337
   1.5 Course title: Applied Strength of Materials
   1.6 Credit hours: 3

2. Current prerequisites/corequisites: Prerequisite: CM 227 or permission of the instructor.
   Corequisite: CM 339

3. Proposed prerequisites/corequisites: Prerequisite: AMS 282 or permission of the instructor.

4. Rationale for the revision of prerequisites/corequisites:
   - In an effort to consolidate courses with similar content offered by different degree programs, it has been determined that the content of AMS 282 provides the appropriate foundation for CM 337. Therefore, that course will replace CM 227 as a prerequisite for CM 337.
   - In addition, CM 339 (the lab component of CM 337) has been dropped from the CM curriculum in a previous program change.

5. Effect on completion of major/minor sequence: None

1. **Identification of course:**
   1.1 Course prefix (subject area) and number: CM 346
   1.2 Course title: Applied Soil Mechanics and Foundations
   1.3 Credit hours: 3

2. **Current prerequisites:** Prerequisite: CE 303 or junior standing.

3. **Proposed prerequisites:** Prerequisite: CM 337 or permission of the instructor.

4. **Rationale for the revision of prerequisites:**

   The course depends on fundamental principles of strength of materials, including calculation of stresses, strains, and use of Mohr's Circle to find principle stresses and strains. These topics are more related to CM 337 than to CE 303.

5. **Effect on completion of major/minor sequence:** None. Both courses are junior level courses.

1. Identification of course:
   1.1 Current course prefix and number: PH 111
   1.2 Course title: Human Nutrition
   1.3 Credit hours: 3

2. Rationale for the course deletion: PH 111 has not been offered for several years now. Current faculty does not have the expertise to teach PH 111. FACS 111 meets the requirements of PH 111.

3. Effect of course deletion on programs or other departments, if known: None

4. Proposed term for implementation: Spring 2013

5. Dates of prior committee approvals:

1. Identification of course:
   1.1 Current course prefix (subject area) and number: HIM 290
   1.2 Course title: Medical Terminology
   1.3 Credit hours: 2

2. Rationale for the course deletion: In 1999, the Health Information Management (HIM) program was moved from the Department of Allied Health (AH) to the Community College (CC). Since CC students could not register for main campus courses, the AH 290 Medical Terminology course was cross-listed as HIM 290 to accommodate those students. In 2011, the HIM program returned to the Department of Allied Health and all sections of Medical Terminology are now offered under the AH prefix.

3. Effect of course suspension on programs or other departments, if known:
Since the medical terminology course is still offered as AH 290, there will be no effect on programs requiring the class or on other departments.

4. Proposed term for implementation: Fall 2013

1. Identification of course:
   1.1 Current course prefix (subject area) and number:  HIM 222
   1.2 Course title: Clinical Quality Assessment & Performance Improvement
   1.3 Credit hours: 3

2. Rationale for the course reactivation:  Prior to suspension, the course was included in the curriculum for the associate degree in Health Information Management (HIM). Course was suspended and selected course content subsequently included in expanded HIM 221-Health Information and Quality Management course. The course content and taxonomic level are appropriate for the recently approved (April 2012) baccalaureate degree in Health Information Management and will be incorporated in that curriculum upon reactivation.

3. Effect of course reactivation on programs or other departments, if known: The course will be required in the baccalaureate degree in Health Information Management; the course is not required for any other program.

1. **Identification of course:**
   1.1 Course prefix and number: FACS 380  
   1.2 Course title: Professional Presentation Techniques in Family and Consumer Sciences  
   1.3 Credit hours: 3

2. **Current course catalog listing:** Includes demonstrations and use of varied technology in teaching family and consumer sciences content. Lecture—field trips at student’s expense.

3. **Proposed course catalog listing:** Study of organization, development, delivery and evaluation of various presentation and demonstration techniques, including technology, as they relate to all areas of family and consumer sciences. Field trips at student’s expense.

4. **Rationale for revision of the course catalog listing:** The content of the course has evolved through the years. This update is necessary to bring the description in line with what is currently taught in the course.

5. **Proposed term for implementation:** Summer 2013

   1.1 Course prefix and number: FACS 493
   1.2 Course title: Family Life Education
   1.3 Credit hours: 3

2. **Current course catalog listing:** Study of the various professional and education perspectives regarding family life education. Principles and practices within the field are analyzed and compared.

3. **Proposed course catalog listing:** Study of various perspectives of family life education, principles and practices, including program planning, implementation, and evaluation. Field experiences required at student’s expense.

4. **Rationale for revision of the course catalog listing:** More specifics about the class added to bring the description in line with what is expected as we move towards accreditation with both the National Council on Family Relations (NCFR) and National Council for Accreditation of Teacher Education (NCATE). A statement regarding field experiences, which are an integral component of the course, was added.

1. Identification of course:
   1.1 Course prefix (subject area) and number: ACCT 460
   1.2 Course title: CPA Problems
   1.3 Credit hours: 3

2. Current course catalog listing: Prerequisite: ACCT 402 (or concurrent) with a grade of “C” or better; expected graduation date within 12 months of enrollment. The course is designed to assist the student in preparing for the uniform CPA examination. Passing this examination is one of the requirements for becoming a certified public accountant. NOTE: This course is an elective but will not count as part of the 6 hours of required accounting electives.

3. Proposed course catalog listing: Prerequisite: ACCT 402 (or concurrent) with a grade of “C” or better. Designed to assist the student in preparing for the uniform CPA examination. Passing this examination is one of the requirements for becoming a certified public accountant.

4. Rationale for revision of the course catalog listing: Remove the language “This course is an elective but will not count as part of the 6 hours of required accounting electives.” By removing this language, it permits accounting majors to count the course as part of the 6 hours of required accounting electives. Remove the language “expected graduation date within 12 months of enrollment.” By removing this language, it permits students in the Professional Program in Accountancy to count the course as a required accounting elective.

1. **Identification of proposed course:**
   1.1 Course prefix and number: FACS 281
   1.2 Course title: Design Foundations for Family and Consumer Sciences Education
   1.3 Abbreviated course title: Design Foundations for FCS Ed
   1.4 Credit hours and contact hours: 3 semester hours
   1.5 Type of course: L (lecture)
   1.6 Prerequisites/corequisites: None
   1.7 Course catalog listing: The application of design principles and elements as related to FCS State and National Standards. Students will utilize technology in the application of design in projects suitable for middle and high school students. Field experience at student expense.

2. **Rationale:**
   2.1 Reason for developing the proposed course: For the folio at the state department of education, we offer all Family and Consumer Sciences (FCS) education majors two courses in each of the FCS content areas. DMT 110, which has been a required course for FCS teacher education, is no longer being taught. This course will fill the need for a second course in the interior design content area. Mission WKU/Plan. Why is this course required?
   2.2 Projected enrollment in the proposed course: 15 per course offering No basis for course offering.
   2.3 Relationship of the proposed course to courses now offered by the department: This will replace DMT 110, which is no longer being offered. The FCS education majors take IDFM 100, Introduction to Housing/Interior Design. This course will enhance and reinforce the content through appropriate application.
   2.4 Relationship of the proposed course to courses offered in other departments: This course is not related to any other courses offered in other departments at WKU.
   2.5 Relationship of the proposed course to courses offered in other institutions: Course work in interior design principles is an integral part of FCS education programs at most institutions. It is included in the programs at the benchmark institutions under various titles. For example:
      - IDSN 2390: Intro Interior Design (University of Central Arkansas)
      - TXMI 3350: Textiles, Merchandising & Interiors (University of Georgia)
      - HID 140: Fundamentals of Design and Interiors (Missouri State University)
      - FCS 320: Family Housing & Design (Eastern Kentucky University)

3. **Discussion of proposed course:**
   3.1 Course objectives: The student will be able to:
      - Apply the principles and elements of design in family life
• Analyze design quality and distinguish between personal taste and good design
• Use technology to explore creativity and demonstrate content skills and knowledge
• Demonstrate competencies with technology and equipment specific to the discipline
• Demonstrate competence in hand sewing as it relates to design
• Develop projects, teaching strategies and methods suitable for FCS middle and high school students/programs

3.2 Content outline:
Application of principles and elements in FCS classroom settings
Teaching strategies and methods for fashion and interior design courses
Technology utilization
  Digitizing software—from initial picture to finished product
  Embroidery machine—threading and use to create a finished product
  Serger—threading, decorative threads, 3- and 4-thread use, rolled hems
Creation of finished products appropriate to design, i.e.
  Window treatments
  Fashion fabric design
  Digitized embroidery
Classroom observations and field trips

3.3 Student expectations and requirements:
Projects, portfolio, development of strategies for teaching design, observations/field trips, exams, and self-evaluation and reflection

3.4 Tentative texts and course materials:
• Sierra. *Universal Stitch Era, Embroidery Software Solutions*. Kennesaw, GA: Gunold.
• Simplicity. (2011). *Simply the Best Sewing Book*.

4. Resources:
4.1 Library resources: Current library resources are adequate for this course.
4.2 Computer resources: Current computer resources are adequate for this course.

5. Budget implications:
5.1 Proposed method of staffing: Existing faculty will teach the course, with adjustments made to current course load as necessary
5.2 Special equipment needed: No special equipment is needed for this course
5.3 Expendable materials needed: No expendable materials are needed
5.4 Laboratory materials needed: No laboratory materials are needed

6. Proposed term for implementation: Spring 2013

4. **Rationale for the proposed program changes:**
   - Changes to the catalog description are needed to align program description with curricular changes. Clarification of catalog program description to reflect one of the concentration names as being fashion merchandising, as compared to textiles and apparel merchandising; this reflects program revision that was implemented beginning Fall 2012. Clarification of minimum required hours as 75 versus 76 is needed due to the decrease in credit hours for the fashion merchandising concentration.
   - Clarification of listing of courses is needed to reflect course proposal revisions to IDFM 120, 151, 152, 201, 221, 300, 301, 302, 401, 410 and 427 that occurred in previous proposals Fall 2012.
   - Changes to the interior design program are being made to be in line with Council for Interior Design Accreditation (CIDA) accreditation standards and to add a course that will meet the needs of students choosing Interior Design as a profession.
   - **Interior Design:**
     - Adding IDFM 101 (Foundations of Interior Design) as a required course to better prepare students for the major.
   - **Changes to the concentration of Fashion Merchandising:**
     - The decrease in credit hours of IDFM 410 from 4 credit hours to 3 credit hours, results in a decrease in the minimum required credit hours from 76 to 75 for the Fashion Merchandising concentration, and, thus, the IDFM major.
     - Replacement of FACS 410 (Internship) with IDFM 410 (IDFM Internship) is requested so that student transcripts reflect they are taking an internship in IDFM instead of Family and Consumer Sciences.
• The requirement of IDFM 427 (Visual Design III) in place of DMT 110 (Design Concepts) due to DMT 110 being dropped from the major.

### Rationale for the Proposed Program Change:

- **To consolidate the offerings of courses with similar topics offered by different programs within the department (AMS 282 Architectural Structures, and CM 227 Applied Statics).**
- The Department of Philosophy and Religion is not offering PHIL 321 on a continuous basis. PHIL 320 has been developed as a substitute course and offered on a continuous basis to address ethics and morality in business.
- To facilitate student progress towards a Minor in Business Administration. Only three additional courses would be required to complete a Minor in Business Administration if the student takes ECON 202.

5. **Proposed term for implementation and special provisions (if applicable):** 201330

6. **Dates of prior committee approvals:**

   - AMS Department: 10/10/2012
   - Ogden College Curriculum Committee: 10/11/2012
   - Undergraduate Curriculum Committee: 9/27/2012
   - University Senate: ____________________
