I. Temporary Course Policy
General Guidelines for Graduate Temporary Courses

- Approval to offer a temporary course is requested when the course:
  1) must be created to accommodate registration, and there is insufficient time to complete the new course approval process, or
  2) is proposed for offering on a trial basis.

- A temporary course is intended to be offered only once and may not be offered more than two times.

Procedure

- The college proponent will submit a Syllabus and Course Inventory Form to the Graduate School for approval by the Dean. The Syllabus must conform to the format specified in the Academic Affairs Policy 1.4060.

- The syllabus and course inventory will then be forwarded to the Provost for approval.

- The approved course inventory will be forwarded to the Office of the Registrar for processing.

- Approved temporary courses will be placed on the next Graduate Council agenda as an information item.
