Western Kentucky University, Music Rehearsal Hall
Saturday, September 26, 2015

Western Kentucky University and the Kentucky Cello Club invite cellists of all ages to participate with club members and guest artists for a day of cello masterclasses, play-in clinics and ensemble playing.

Guest Artist

Dr. Melissa Kraut - Cleveland Institute of Music
Dr. Melissa Kraut is recognized as one of the leading pedagogues of her generation. Having developed and trained some of the outstanding young musicians of today, Dr. Kraut has demonstrated a unique ability to teach all ages and stages of dedicated students, helping them reach their highest potential both at and away from the cello.

With degrees from the Cleveland Institute of Music, the University of Iowa and Northwestern University, Dr. Kraut has had the opportunity to study with the great pedagogues Alan Harris and Hans-Jorgen Jensen as well as summer study/masterclasses with cellists such as Aldo Parisot, Frank Miller, Yo-Yo Ma, Tsuyoshi Tsutsumi and David Soyer. As a student, she participated in the Aspen Music Festival, Banff Center for the Arts and the Schleswig-Holstein Music Festival in Europe.

An active performer, Dr. Kraut has led a diverse career on stage, with solo and chamber performances throughout the United States and Europe. She has held leadership positions in several orchestras, and has played under the baton of conductors such as Sir Georg Solti, Valery Gergiev and Semyon Bychkov. Dr. Kraut currently enjoys performing chamber music with her friends and colleagues throughout the world.

Dr. Kraut enjoys reaching students from all over the world through master classes and workshops. Her status as a Suzuki Teacher Trainer, enables her to pass on her love of pedagogy to the next generation of teachers. In addition, she is passionate about public speaking and the ability to reach audiences of a larger scope, about topics broader than cello.

In the summer of 2014, Dr. Kraut and famed cellist Zuill Bailey launched the inaugural summer of the Sitka Cello Seminar in Sitka, Alaska, bringing 10 elite cellists from all over the world to study under their guidance. In prior summers, Dr. Kraut was on the faculty of several summer festivals including eight summers at the Meadowmount School of Music and eight summers at Interlochen Arts Camp, where she was also the Head of Strings. Other festivals include the Lev Aronson Legacy Week in Dallas, TX, as well as Hefetz International Music Institute in Staunton, VA.

Dr. Kraut's students have achieved great success, with top prizes in National and International competitions. Students of Dr. Kraut have won the Gold Medal and Audience Award at the Gaspar Cassado Competition in Hachioji, Japan, Grand Prize in the Music Teachers National Association Competition, First Prize in the American String Teacher’s Association, Grand Prize in the Walgreen's Competition, Grand Prize in the Fischoff Competition, as well as prizes in many local and regional competitions.
