

Viewing Additional Content

To view additional content for your course:

1. In the *Class Recordings* page (Figure 1), select the **Additional Content** tab. A list of related files and/or links appears.

Figure 1: Additional Content Tab located on Class Recording Page

2. To view additional content that is available through an external link, click the link. The content appears in a new browser window.

Figure 2: Additional Content Tab

Once the document is selected you will receive a download security dialog box.
