General Education Math Placement Information

Do you need Math 116 (College Algebra)?

If not sure [check here]

Need to Take the MPE exam

Entering students: take on-line before ATP
Returning student: Can take the exam on any WKU campus, at any testing center & at the Math Testing Center in College High Hall on Floor 2R (room #2126).

NOTE: Math Placement Exam (MPE) scores expire after one year and one retake during that time period is possible. The retake does not change the original test expiration and is taken in a proctored environment. The retake is given by the WKU testing center, for hours of operation and locations see: [http://www.wku.edu/testing/](http://www.wku.edu/testing/) or call the Math testing center at (270) 745-2141, an appointment is recommended.

Do you have:
- Math ACT 19, or Compass 36, or KYOTE 22, or SAT 460, or higher?
  Take:
  - MA 109C (south campus) or Math 109 with academic support session (main campus)
  - Math 109 (Math) or Math 183 (Statistics, which requires a 22 ACT or 14 MPE)

Do you have:
- Math ACT 22, or Compass 50, or KYOTE 14, or SAT 510, or higher?
  NO
  
  YES

Determine placement on the attached chart

NOTE: Majors that require higher than Math 116 should take the MPE
