How to Distinguish between Administrative support units and Academic support units:

1. Organization Chart	Is the office/unit represented on the President/Vice President's organization chart?
2. Direct Support	Does the office/unit directly offer support to faculty and/or student as related to educational programs?
3. Indirect Support	Does the office/unit indirectly offer support for student learning?
4. College Experience	Does the office/unit offer a co-curricular mission that supports the college experience?

Section 7.3 - Administrative Support Services (IE Offices)

> The institution identifies expected outcomes of its administrative support services and demonstrates the extent to which the outcomes are achieved.

Section 8.2c - Administrative Educational Support (AES Offices)

> The institution identifies expected outcomes, assesses the extent to which it achieves these outcomes, and provides evidence of seeking improvement based on analysis of the results in the area of academic and student services that support student success.
