

Research Supplies Grant (RSG) application

About the RSG: *The Gatton Academy RSG is for departments/professors that are mentoring Gatton Academy students in independent research projects outside of the Academy students' curriculum. RSGs are granted in the amount of \$250 per student upon approval of the attached application, and the grant money is attributed to the WKU account that the research professor indicates. The Academy's intent is to support our students' research, and the faculty members who mentor them, by helping provide materials or supplies that can advance research goals.*
