- This is a very exciting semester for us! Deaf Awareness Week will be April 5th through April 9th. The board and I have begun discussing various activities and opportunities this week. However, I am VERY interested in hearing some ideas from all of you. Please reach out to anyone on the board with ideas--or contact me directly.
  - Member Meeting on April 5th to kick off DAW.
  - Potential Deaf Culture Series during this week.
  - Lots and lots of social media posts and interaction.

- We will begin a Deaf Culture Series once a month. These are not scheduled yet, but they will be a valuable chance to hear from someone in the Deaf community and ask any questions that you may have.
- Make sure to be looking at the WKU ASLO website for dates of major upcoming events this semester including ASLEs and SPAR events.

## Secretary (Brooke Litteral)

- I sent out the newsletter. Did anyone have trouble viewing? Any suggestions on what you want to see on future newsletters?
