CURRENT WKU EMPLOYEES: WHAT YOU NEED TO KNOW ABOUT YOUR ANNUAL BENEFITS OPEN ENROLLMENT

It's Time to Enroll – It's Time to Get Active!

This year's Annual Enrollment for 2017 benefits runs from October 17 through October 28. Everyone needs to complete the enrollment process this year. Your active participation is the only way to ensure your 2017 coverage best meets your needs.

HELPFUL HINTS:

- Review and verify your current benefits and dependents enrolled in your coverages at www.wku.edu/benefits/bf
- Compare WKU's benefits packets with other insurance options available to you and your family
- Attend the Annual Benefits Fair, October 20th & 21st
- Contact the Benefits Team at 270-745-5360 or email benefits@wku.edu if you have any questions
- Remember, Voluntary Health Savings Account Employee Contributions and Flexible Spending Accounts DO require annual re-enrollment.

TAKE ACTION

If you do not enroll in medical coverage before the October 28 deadline, you will be automatically enrolled in the PPO/1,500 Plan with the same family coverage category as your current election, or the waiver if you currently waive coverage. In addition, you will not be eligible for the WKU wellness credit or premium discount.

MAKING CHANGES THROUGHOUT THE YEAR

The choices you make during Open Enrollment remain in place from January 1, 2017, through December 31, 2017. You cannot add or drop coverage until the next Open Enrollment in the fall of 2017 (for the plan year beginning January 2018) **unless you have a change in family status or experience another "qualifying event," with benefit changes related to the specific life event.** The following events would allow you to make changes to your current benefits during the plan year. **You must notify the Employee Benefits section within 31 days of the "qualifying event."**

- Birth or adoption
- Marriage
- Divorce
- Employment status (dependent loses/gains other coverage)
- Dependent no longer meets eligibility criteria
- Spouse/partner's annual open enrollment

WIN A FITBIT

Employees who enroll in the first week (by October 21st) will be entered into a drawing for 1 of 30 FitBits. Don't delay--enroll early!

MANAGING YOUR HEALTH

WKU'S GUIDING PRINCIPLES

- Create a sustainable health plan
- Provide programs and benefits that promote your health and well-being
- Offer tools and resources to help you make informed decisions

YOU PLAY A PART TO...

- Commit to a healthy lifestyle
- Make informed decisions about your health
- Use healthcare services in a cost-effective way

YOUR HEALTH PLAN OPTIONS

WKU's health plan offerings have two objectives:

- 1) To reward you for taking an active role in your health and well-being, and
- 2) To slow the growth of health care costs for you and WKU

Each health plan option covers a wide range of services, from routine preventive care to hospitalization, surgery and prescription drugs, but differ in their cost-sharing arrangements (i.e., payroll deductions, copays, deductibles and coinsurance). You choose the plan that best suits your needs. The health plan choices come with a type of savings account—either a Health Savings Account (HSA) or Health Reimbursement Arrangement (HRA)—to help you pay for eligible medical expenses.

As part of WKU's commitment to wellness, if you and your spouse/partner participate in the Top Life Pledge, you are eligible for financial rewards, such as WKU wellness credits and discounted premiums. If you and your spouse/partner decide to opt out of medical coverage, you can still participate in the wellness program and reap financial rewards.

ANTHEM LIVE HEALTH ONLINE

Telemedicine gives you and your enrolled family members access to a specific network of Board-certified physicians via live, online video consultations for minor medical concerns usually addressed by a primary care doctor. It is a convenient, cost-effective and time-saving option that provides you with an additional resource for obtaining simple medical care when you're traveling on business, on vacation or when your doctor is unavailable when you want an appointment. Available 7 days per week, 24 hours per day, 365 days per year at livehealthonline.com

2017 HEALTH PLANS

The section below outlines the health plans being offered in 2017. A comparison chart is available on page 5. You can learn more about these plans online at www.wku.edu/benefits/bf.

HEALTHY SAVER 2600 PLAN

This plan is paired with a Health Savings Account (HSA), with a WKU initial credit of \$800 or \$1,300. You may also make voluntary pre-tax contributions to your HSA. The HSA and WKU's credits are designed to help you meet the higher deductible and out-of-pocket maximum of this plan. Here's how it works:

- Regardless of your participation in the Top Life Pledge, WKU will make an initial credit to your HSA of \$800 for employee only coverage or \$1,300 for employee + child(ren), couple and family coverage levels.
- If you accept the Top Life Pledge when you enroll, WKU will credit your HSA with an additional \$500 or \$1,000 wellness credit and you will receive a discounted premium of \$15.00 per month for employee only and employee + child(ren) coverage levels or \$30.00 per month for couple or family coverage levels.
- You can make additional, voluntary pre-tax HSA contributions, up to annual IRS limits; employees age 55 - 65 may make additional catch-up contributions.
- You use your HSA balance to help pay for eligible health care services to help meet your deductible.
- Once you meet the deductible, the plan pays benefits as shown in the chart on page 5.
- Your HSA balance earns tax-free interest, it rolls over from year to year, and if you leave WKU you can take your HSA with you.
- If you decide not to participate in the Top Life Pledge, you will be enrolled in the "Saver/2,600 Plan" and will not be eligible for the additional HSA wellness credits or the discounted premiums.

HEALTHY PPO 1000 PLAN

This option generally has the highest employee premium but it also usually pays the highest level of benefits when you receive care. Here's how it works:

- If you accept the Top Life Pledge when you enroll, WKU will set up a HRA on your behalf and credit the account with \$500 for employee only coverage or \$1,000 for employee + child(ren), couple and family coverage levels. You will also receive a discounted premium of \$15.00 per month for employee only and employee + child(ren) coverage levels or \$30.00 per month for couple or family coverage levels.
- You cannot make voluntary contributions to your HRA; however, you can make voluntary pre-tax contributions to a Health Care FSA.
- You can use your HRA balance to help pay for eligible health care services to help meet your deductible.
- Once you meet the deductible, the plan pays benefits as shown in the chart on page 5.
- Your HRA does not earn interest; however, any remaining balance at the end of the year rolls over to the next year.
- If you leave WKU, you forfeit any remaining HRA funds.
- If you decide not to participate in the Top Life Pledge, you will be enrolled in the "PPO/1,000 Plan" and will not be eligible for HRA wellness credits or the discounted premiums.

HEALTHY PPO 1500 PLAN

This option is similar to the PPO/1,000, but it costs less each month because it generally pays the lowest level of benefits toward the cost of services. Like the PPO/1,000 Plan, this option comes with a HRA when you accept the Top Life Pledge (see the plan above for how a HRA works). If you decide not to accept the Top Life Pledge, you will be enrolled in the "PPO/1,500 Plan" and will not be eligible for HRA wellness credits or the discounted premiums.

OPTING OUT OF HEALTH INSURANCE

If you waive health plan coverage and declare that you have other group health plan coverage* that provides minimum value, WKU will set up a Health Reimbursement Arrangement (HRA) on your behalf. These funds can be used for reimbursement of eligible out-of-pocket expenses as defined by the Internal Revenue Service (e.g., copays, coinsurance, deductibles, vision and dental services). The HRA may be used for eligible expenses incurred by all family members who qualify as a federal tax dependent. Here's how it works:

- WKU will put \$125 per month in the HRA for all employees who waive medical coverage.
- If you accept the Top Life Pledge and complete the program, you will be eligible to earn up to an additional \$500 cash incentive - \$250 in March for completion of Tier I and \$250 in October for completion of Tier II. New hires after June 1, 2017, will be eligible for half of the wellness incentive.

*A "group health plan" does not include individual policies purchased through KYnect or governmental plans such as TRICARE, Medicare, or Medicaid. Employees who declare they do NOT have other group health coverage that meets minimum value will receive a one-time cash payment equivalent to \$125 per month for each month remaining in the calendar year (less applicable local, state, and federal taxes).

Contact the Manager of Employee Wellness at (270) 745-4393 or wade.pinkard@wku.edu and we will work with you (and, if you wish, with your doctor) to find a wellness program with the same reward that is right for you given your health status.

THE REWARDS OF WELLNESS

As in the past two years, when you pledge to take an active role in your health and well-being, you become eligible to receive wellness credits (funds) to either your HSA or HRA, as well as discounted premiums on your health plan.

If you waive medical coverage, yet accept the Top Life Pledge, you will receive a \$125 monthly deposit into a Health Reimbursement Arrangement (HRA) plus additional cash bonus opportunities as you successfully complete your commitments.

IT ALL STARTS WITH THE TOP LIFE PLEDGE

When you enroll for 2017 benefits, you'll be asked to accept or decline a "Top Life Pledge" regarding your and your spouse/partner's participation in the wellness program. Accepting the Pledge is the first step toward earning WKU wellness credits and discounted premiums.

To maintain the credits and discount on your health plan premiums, you and your spouse/partner must earn 150 wellness points by December 31, 2016 and an additional 250 points by September 1, 2017; minimum of 400 total points (see charts below.)

1. I/We pledge to earn 150 points by completing the following Tier I Activities before December 31, 2016: on-line health assessment AND on-campus biometric screening**
2. I/We pledge to earn a minimum of 250 points by completing any combination of Tier II Activities before September 1, 2017.
3. I/We pledge to the following healthy actions: to wear a seatbelt 100% of the time, be physically active and increase my/our knowledge of healthy eating.

You may also elect a \$5,000 or \$10,000 policy on dependent children. You may increase your coverage up to 2 increments during open enrollment without proof of good health.

Long-Term and Short-Term Disability Insurance

WKU provides a long-term disability policy at no cost for full-time employees. You may purchase a short-term disability policy during open enrollment (with proof of good health.) Rates are based on salary and age.

- **Short-Term Disability Plan** — WKU Employees have the opportunity to purchase a Short-Term Disability policy through Lincoln Financial Group which will pay 60% of weekly salary up to a maximum of \$1,250 per week for a maximum benefit period of 13 weeks. FAMILY AND MEDICAL LEAVE (FMLA)

Family and medical leave is available to any University employee who has worked at least 1250 hours in the 12-month period prior to the leave request. Eligible employees may take up to 12 work weeks of leave for the birth of a child, care of a child after birth, placement of a child for adoption or foster care, or to care for the serious health condition of the employee, employee's spouse, son, daughter or parent. Employees are required to give the University at least a 30-day notice involving known or planned leaves. The total amount of the paid or unpaid leave may not exceed 12 weeks in any 12-month period. The University requires certification from a health care provider that a serious medical condition exists before granting leave. Required documentation must be completed and forwarded to the Department of Human Resources for approval. Employees returning from family and medical leave will be returned to either their prior position or to an equivalent position. Employees not returning from family and medical leave must certify their inability to do so. Those employees who do not provide such certification will be required to reimburse the University for all costs related to health insurance and other benefit premiums paid during any unpaid portion of the family and medical leave.
