

- **ALL FRESHMAN and FIRST SEMESTER TRANSFER** students are required to **attend a B.A.S.S. session BEFORE seeing a faculty member for advisement.** You need only attend one event during which we will go over your program requirements as well as lift your advising hold. Please make sure you attend as **faculty will not advise a first semester freshman/transfer student who does not attend a B.A.S.S. session.**

**B.A.S.S.**

- **JUNIORS and SOPHOMORES:** be aware of your registration date and plan accordingly for advising. (Keep in mind that Senior-level students will be given priority in advising...they register first...you will too when you are a Senior!)
- **SENIORS:** please begin making appointments with your advisors now, either through TopNet or email.
- **If you are a BIOCHEM major or MLS or MT major:** please begin making appointments with your advisors now, either through TopNet or email.

### QUESTIONS about scheduling an advising appointment through TopNet?

Click here for a tutorial: [https://www.wku.edu/biology/advising\\_appointment.php](https://www.wku.edu/biology/advising_appointment.php)

- ❖ If you use TopNet scheduling but your advisor does not have appointments available then he/she may not be using this TopNet function. Please email them directly!
- ❖ Make sure that you are in the correct term. We are in Fall 2017 so when using the function you must be in Fall 2017.
- ❖ If your advisor does not connect with you in 72 business hours/3 business days (**THIS MEANS "do not count weekends"**), email the Biology Advising Center ([cassandra.cantrell@wku.edu](mailto:cassandra.cantrell@wku.edu)) for further help!
