

## **AOL Meeting April 15, 2014**

Present: Zimmer, Gardner, & Blankenship

### **Undergraduate Activity**

#### **Oral Presentations Scores**

Averages

Organization	3.142857
Content	2.928571
Language	3.142857
Nonverbal	2.571429
Visuals	3.142857

Some comments from the evaluators of the videos included:

Lack of eye contact with the audience  
Some visual aids were “wordy” with small print  
Lack of introductions at the beginning of the presentations.

Recommendations: Have instructors stress the oral presentation rubric to their class and discuss the negative observations with their class.

Note: Faculty were provided rubric resources and links to other communication resources at the Fall 2014 Faculty Meeting.

Ethical and Global Awareness goals still need to be evaluated. Dr. Spiller will provide data from his MGT 210 class.

### **Graduate Activity**

FTMBA – Critical Thinking Avg. 4.23

FTMBA – Written Communication Avg. 3.79

PMBA – Critical Thinking Avg. 3.45

PMBA – Written Communication Avg. 3.625

It should be noted that in the PMBA evaluation there were only two student groups. One group had unacceptable scores.

Recommendations: Make sure students and instructors are made aware of the rubrics. Discuss other recommendations with the Associate Graduate Dean for the PMBA students.
