Dr. Thrasher gave the Leadership Team an advising team update.

Dr. Ross shared his concerns over the university's scheduling of the spring semesters. He was pleased to announce a counter has been installed on the fifth floor for the students. They are now able to study and charge their electronic devices.

Currently, the Business LLC has 97 applications for Fall 2022.

Dr. Shook provided several CAD and general updates:

- DELO is going to be reorganized and will function as a service provider.
- The LLCs are doing well.
