Required Materials:
All required materials can be accessed from Blackboard.

Special Instructional Materials Needed:
- Hardware: PC/Windows-based compatible computer with High Speed Internet access
- Software: Microsoft Office Suite, CD or DVD Writing software
- Media: USB flash drive, CDRs or DVDs
- Webcam and Skype videoconferencing software

Course Description/Rationale:
This is a one to three hour practicum experience designed to meet the requirements of the Kentucky Department of Education and Education Professional Standards Board Certification in Library Media Education. Unless enrolled in the “recruitment program” students enroll in the three hour practicum at the end of their graduate program. Hours required for the 1 hour, 2 hour, LME 591, and LME 592 practica vary. Refer to the Practicum Information Area of Blackboard for those required hours. In the 3 hour LME 590 practicum, in which a majority of students are enrolled, a 120 field hours are required --with 40 of these hours being completed in a school library media/educational technology center under the supervision of an experienced
library media/educational technology specialist and a member of the library media education faculty. The LME 591 practicum requires 40 hours documented in a media center with a library media specialist; the LME 592 practicum requires 360 of documented hours in the media center with a library media specialist.

This course supports the conceptual framework of the School of Teacher Education. The Over riding goals and objectives of the major unit are integrated into the program, course content, and assignments. Performance assessment is manifested through the program requirements and specific course expectations as well as advisement of individual students in a consultative arrangement.

Course Standards
- KTS Standards Addressed: ALL
- AASL Standards Addressed: ALL
- ISTE Standards Addressed: ALL
- CEBS Dispositions Addressed: ALL

Course Objectives:
In a school media or educational technology center setting, the student will be able to apply library media education skills in instruction, technology, collaboration, and administration under the supervision of media specialist for the prescribed number of hours. Performance on this objective will be assessed using the supervising media specialist evaluation, video conferencing, student time log, practicum evidence presentation, and practicum reflection

Assignments:
Information for Completing Assignments is located in the ASSIGNMENTS area of Blackboard. Information concerning the PRACTICUM is contained in the PRACTICUM INFORMATION area of Blackboard. Information concerning the PORTFOLIO is located in the PORTFOLIO INFORMATION area of Blackboard.

**Grading Scale:**

- 100 - 90 percent = A
- 89 - 80 percent = B
- 79 - 70 percent = C
- 69 - 60 percent = D

**Disability Accommodations:**

In compliance with university policy, students with disabilities who require accommodations (academic adjustments and/or auxiliary aids or services) for this course must contact the Office for Student Disability Services in DUC A-200 of the Student Success Center in Downing University Center. Please DO NOT request accommodations directly from the professor or instructor without a letter of accommodation from the Office for Student Disability Services.

**Course Requirements and Expectations**

It is expected that communication between students and faculty will be conducted in a professional manner and all course materials will be reviewed thoroughly before asking questions. Students will be required to review the course materials, post questions about assignments to discussion boards, and submit assignments on time. Late assignments will not be accepted unless arrangements are made between the instructor and student prior to the assignment deadline. Assignments more than a day late are subject to a letter grade reduction. The instructor reserves the right to change the syllabus during the semester. Students will be notified of changes to the syllabus through a course announcement.
