

WKU COOPERATING TEACHER TUITION WAIVER

Public school teachers wishing to apply for the tuition waiver must be admitted to a graduate program at Western Kentucky University and have a planned program of study on file in the Graduate School and/or the Teacher Certification Office. Public school teachers are eligible for enrollment in tuition-free course(s) upon verification of the completion of an assignment as a cooperating teacher or mentor teachers for the New Teacher Academy.

Public school teachers serving as a cooperating teacher for student teachers are eligible for six hours of tuitionfree courses for each semester of supervision during an academic year. Mentor Teachers for New Teacher Induction programs, sponsored through WKU, are eligible for three (3) hours of tuition-free courses for each year they serve as a mentor teacher for that school district. Should the MOA with that school district to provide the New Teacher Induction be dissolved, the tuition waiver will no longer be available to mentor teachers. *Waivers must be used within one academic year following the completion of the supervision.
