

Where is my chemistry instructor?

Thompson Complex is being renovated in 2018. Beginning in Spring Semester 2018, nearly all academic labs will be held in the new Ogden College Hall, with a very small few in Snell Hall. During the renovations, offices have been moved to temporary locations in the new **Ogden College Hall (OCH)**, **Cherry Hall (CH)**, **College High Hall (COHH – old Dean's office suite)**, **SkyTeach House (SKY)** or its **neighboring Trailer (STT)**, according to the table below.

The Chemistry Department Office is now in College High Hall 2116 (previously the Dean's Office Suite). Phone numbers remain the same as before the move.

	Phone	Building	Room #
BROOKS	745-6915	CH	25
