EDUCATION

- Ph.D., Developmental Psychology, University of Notre Dame**, Notre Dame, IN, 2010
Examining Infant Attachment Security with Mothers and Fathers: An Ecological Systems Perspective
Committee: Julia Braungart-Rieker (chair), E. Mark Cummings, Kristin Valentino, and Guangjian Zhang
- M.A., Developmental Psychology, University of Notre Dame**, Notre Dame, IN, 2008
The Effects of Parenting and Marital Functioning on Infant Affect During the Still-Face
Committee: Julia Braungart-Rieker (chair), Scott E. Maxwell, and Thomas Whitman
- B.A., Psychology, minor: English, Cum Laude, Saint Louis University**, St. Louis, MO, 2005

POSITIONS

- Associate Professor**, Western Kentucky University, Department of Psychological Sciences, 2018-present
- Assistant Professor**, Western Kentucky University, Department of Psychological Sciences, 2013-2018
- Assistant Professor**, Western Kentucky University, Department of Psychology, 2012-2013
- Postdoctoral Scholar**, The Pennsylvania State University, Department of Human Development and Family Studies, Mentor: Cynthia Stifter, Ph.D., 2010-2012
- Graduate Research Assistant**, The University of Notre Dame, Department of Psychology, 2005-2010
- Undergraduate Research Assistant**, Saint Louis University, Department of Sociology and Criminal Justice, Summer 2004
- Undergraduate Research Assistant**, Saint Louis University, Department of Psychology, 2002-2005

GRANTS

Extramural Research Funding

- Principal Investigator**, renewal funded (NIGMS: 8P20GM103436-22), "The Development of Emotion Regulation in Early Infancy: Intrinsic and Extrinsic Predictors." Kentucky Biomedical Research Infrastructure, Investigator Development Award (KBRIN-IDeA). Submitted December 2021. \$53,188 direct, \$95,797 total. Funding Period: 5/1/22-4/30/23.

- Principal Investigator/Faculty Mentor**, not funded, Kentucky Academy of Science Undergraduate Summer Research Grant. Submitted November 2021.
- Principal Investigator**, not funded, “Distracted Parenting and Emotion Regulation Across Early Infancy with Mothers and Fathers” National Institute of Child Health and Human Development (R15 AREA). Submitted October 2019. Resubmitted February 2021.
- Principal Investigator**, renewal funded (NIGMS: 8P20GM103436), “The Development of Emotion Regulation in Early Infancy: Intrinsic and Extrinsic Predictors.” Kentucky Biomedical Research Infrastructure, Investigator Development Award (KBRIN-IDeA). \$53,201 direct, \$95,364 total. Funding Period: 5/1/21-4/30/22.
- Principal Investigator**, funded contingent on R15 AREA funding/not awarded, Kentucky Biomedical Research Infrastructure, Post Baccalaureate Technician Award. Submitted January 2021, \$72,203 direct.
- Principal Investigator**, renewal funded (NIGMS: P20GM103436), “The Development of Emotion Regulation in Early Infancy: Intrinsic and Extrinsic Predictors.” Kentucky Biomedical Research Infrastructure, Investigator Development Award (KBRIN-IDeA). \$52,180 direct, \$94,789 total. Funding Period: 5/1/20-4/30/21.
- Principal Investigator**, funded contingent on R15 AREA funding/ not awarded, Kentucky Biomedical Research Infrastructure, Post Baccalaureate Technician Award. Submitted October 2019, \$72,203 total.
- Principal Investigator**, funded (NIGMS: 8P0GM103436), “The Development of Emotion Regulation in Early Infancy: Intrinsic and Extrinsic Predictors.” Kentucky Biomedical Research Infrastructure, Investigator Development Award (KBRIN-IDeA). \$154, 803 direct, \$186,302 total. Funding Period: 5/1/18-4/30/20.
- Principal Investigator**, not funded, “Predictors of Emotion Regulation across Early Infancy.” National Science Foundation Research Scholars Program. Submitted February 2017, \$3,751 direct, \$5,326 total.
- Principal Investigator**, not funded, “Developmental Pathways to School Readiness in the Context of Risk.” National Institute of Child Health and Human Development (R15 AREA). Submitted Spring 2016, \$300,000 direct, \$413,492 total.
- Data Analyst**, not funded, NSF ADVANCE Catalyst Grant, Dr. Cheryl Stevens (PI), Dr. Cathleen Webb and Dr. Elizabeth Shoenfelt (Co-PIs). Submitted Fall 2015, \$199,984 total.
- Faculty Mentor**, funded, “Advancing Psychological Research Using Technology.” National Science Foundation Research Experience for Undergraduates (Summer 2015-2017).
- Faculty Mentor**, not funded, Western Kentucky University Ogden College of Science and Engineering, National Institute of Health Bridge Grant. Submitted Fall 2014.
- Principal Investigator**, not funded, “Temperament, Physiology, and Regulation: Risk for Externalizing Pathology.” National Institute of Mental Health (F32). **The Pennsylvania State University**). Submitted Fall 2010. Resubmitted Spring 2011, \$132,888 total.

Intramural Research Funding

Faculty Mentor, funded, Alyssa Swift, “Examining Associations Between Infant Behavioral Inhibition, Cardiac Physiology, and Regulatory Behaviors”. Western Kentucky University Office of Sponsored Programs Faculty-Undergraduate Student Engagement Grant. Competitive Selection Process.

Principal Investigator, funded, “Emotion Regulation from Infancy to Childhood: Predictors of Child Social and Emotional Outcomes”. Western Kentucky University Office of Sponsored Programs Western Kentucky University Office of Sponsored Programs Research & Creative Activities Program Level 1 Internal Grant, Funding Period: September 2021-April 2023, \$15,772.

Principal Investigator, funded, “Cardiac Physiology Equipment” Western Kentucky University Ogden College of Science and Engineering Quick Turnaround Grant. Competitive Selection Process. Funding Period July-October 2019, \$3,000.

Faculty Mentor, funded, Mequeil Howard, “Come on, Baby, Do the Locomotion: Infant Temperament and Cardiac Physiology as Predictors of Locomotion”. Western Kentucky University Office of Sponsored Programs Faculty-Undergraduate Student Engagement Grant. Competitive Selection Process. Funding Period: Spring 2019-2020.

Principal Investigator, funded, “Emotion Regulation in Children” Western Kentucky University Ogden College of Science and Engineering Quick Turnaround Grant. Competitive Selection Process. Funding Period: May-August 2017, \$2,160.

Faculty Mentor, funded, Chelsea Denhard, “Associations between Parent Involvement, Infant Temperament, and Parent Affect during Early Infancy”. Western Kentucky University Office of Sponsored Programs Faculty-Undergraduate Student Engagement Grant. Competitive Selection Process. Funding period: Fall 2017-2018.

Faculty Mentor, funded, Lauren Bailes, “Parental Sensitivity Predicted by Parent Personality and Infant Temperament”. Western Kentucky University Office of Sponsored Programs Faculty-Undergraduate Student Engagement Grant. Competitive Selection Process. Funding period: Spring 2016-2017.

Faculty Mentor, not funded, Stephanie Fusting, “Exhibition of Infant Anger and Fear as Predictors of Self-Regulatory Behaviors in Early Infancy” Western Kentucky University Office of Sponsored Programs Faculty-Undergraduate Student Engagement Grant. Competitive Selection Process. Submitted Spring 2015.

Faculty Mentor, funded, Victoria Greenwell, “Examining Associations Between Infant Temperament, Parental Competence, and Family Resources and Their Effects on Parental Sensitivity.” Western Kentucky University Graduate School, Graduate Student Research Grant. Competitive Selection Process. Funding period: Spring 2014-2015, \$1,000.

Principal Investigator, funded, “The development of emotion regulation within the parent-infant relationship: Intrinsic and extrinsic contributors.” Western Kentucky University Office of Sponsored Programs Research & Creative Activities Program Level 1 Internal Grant. Funding period: January 1, 2013-2015, \$19,000 direct, \$26,820.64 total.

ACADEMIC HONORS AND AWARDS

Teaching Honors Nominee, Western Kentucky University, Center for Innovative Teaching and Learning, Spring 2019, Fall 2020, Spring 2021, Fall 2021

First Time Awardee Award FY 2019, Western Kentucky University, Office of Sponsored Programs, 2019

Saint Louis University Psi Chi Alumni of the Month, September 2012

Society for Research in Child Development Student Travel Award, 2009

Saint Louis University Psi Chi Research Award, 2005

Psi Chi National Psychology Honor Society, Saint Louis University Chapter, 2003-2005
