**Subject:** J Stone Web Site Development

Dear Sir,

I am looking for a WKU student who might be interested in helping me develop a web site. I am a long time resident of Bowling Green, a licensed psychotherapist in private practice and am affiliated with an organization in BG call Family Works. Our office is located at 1621 Scottsville Road. I also attended WKU to complete my license requirements. If by chance you know of a student who would be interested in this type of project please feel free to provide them my phone number. If by chance this type of referral is not allowed, could you please make a suggestion as to how I might enlist the help of a knowledgeable person to assist in building a web site. Thank you very much

Sincerely

Jim Stone MA LPCC
