Dr. Lawrence W. Snyder
Potter College of Arts & Letters

**Denotes Interim*

Recognition of Academic Achievement

Undergraduate students who maintain outstanding scholastic achievement are recognized at commencement according to the following designations and are indicated in this commencement program with the respective symbols. Determination of the honor status was based upon the academic record in existence at the beginning of the 2020 spring semester. The final determination of those who actually receive this recognition is made at the conclusion of the term in which degree requirements are met.

Degree candidates who are potential honors recipients wear red and white honor cords during the commencement ceremony. Further recognition of those who actually receive this recognition is made on the diploma and transcript at the conclusion of the term in which all degree requirements are met.

With Distinction - The honor given to students who have completed their associate degrees with cumulative overall and cumulative WKU grade point averages of 3.40 - 3.69 and a minimum of 27 semester hours earned in residence (+).

With High Distinction - The honor given to students who have completed their associate degrees with cumulative overall and cumulative WKU grade point averages of 3.70 - 4.00 and a minimum of 27 semester hours earned in residence (++).

Cum Laude - The honor given to students who have completed their baccalaureate studies with cumulative overall and cumulative WKU grade point averages of 3.40 - 3.59 and a minimum of 45 semester hours earned in residence (*).

Magna Cum Laude - The honor given to students who have completed their baccalaureate studies with cumulative overall and cumulative WKU grade point averages of 3.60 - 3.79 and a minimum of 45 semester hours earned in residence (**).

Summa Cum Laude - The honor given to students who have completed their baccalaureate studies with cumulative overall and cumulative WKU grade point averages of 3.80 - 4.00 and a minimum of 45 semester hours earned in residence (***)).

Mahurin Honors College Graduates – The Mahurin Honors College requires students to complete a unique set of enhanced coursework while maintaining at least a 3.2 grade point average. Students completing a minimum of 33 semester hours and a Capstone Experience/Thesis Project are designated “Honors College Graduates,” those completing 33 hours are designated “Honors Program Graduates,” and those completing 18 hours in their discipline are designated “Honors in the Major Graduates.” Students at all three designations are authorized to wear a gold medallion during the ceremony and are designated by the (■) symbol in the commencement program.

The Scholar of the College is the baccalaureate degree student in each undergraduate college with the highest cumulative overall grade point average and a minimum of 60 semester hours earned in residence.

The Ogden Foundation Scholar Award is presented to one graduating baccalaureate degree senior who has demonstrated exceptional academic achievement and outstanding university and civic engagement. The student with the highest grade point average in each college who earned at least 60 hours in residence was invited to apply for the award. The recipient will receive a plaque and a monetary award. The recipient is designated by (◆).

Candidates for Degrees

The list of candidates for graduation was prepared before final grades were reported, and inclusion herein does not constitute evidence of graduation. The listing of a name in this program should not be construed as an indication that the person will in fact receive a degree from Western Kentucky University during this Conferral of Degrees. Conversely, the absence of a student's name from this list does not necessarily mean that the person will not be awarded a degree. The students whose names appear below made formal application for graduation by the date specified in the academic calendar.
