

# CFP® EXAM REVIEW PROGRAMS

## Review with Confidence

Our review packages are the finishing touch on your CFP® exam prep—designed to focus on highly testable exam content from your education program. **Easy-to-comprehend** textbooks, **experienced** faculty, **bite-size** review videos, and a full set of **integrated** online tools will have you confident going into your CFP® exam.

## Instructor-Led Classes

Kaplan's instructors average 24 years of industry experience and are here to support you no matter which class method you choose:

- Onsite classes in major metro locations
- Online classes that are archived for future playback
- OnDemand classes to start, stop, and rewind at your convenience

*Kaplan review materials provide exactly the information that is needed to be successful in passing the CFP® exam.*
