

PROJECT MANAGEMENT ESSENTIALS

with CAPM® Prep

Project Management career opportunities are increasing – even in a challenging job market.

The Project Management Essentials course will help prepare you to meet the demands of this rewarding career.

After completing this course, you will meet or exceed the educational prerequisites for the Certified Associate in Project Management (CAPM®) certification offered through the Project Management Institute (PMI)®.

*This course is included on the Kentucky ETPL and is WIOA eligible.
This course is completely online and self-paced. Enroll when you are ready!*

Prices:

- **\$1,195**
includes everything you need for the course
- *The CAPM exam fee is an additional charge. Visit [PMI.org/certifications](https://www.pmi.org/certifications) for more information.*

WHAT YOU WILL LEARN

- The essentials of a project management foundation
- How to execute a project from start to finish
- Common project management concepts and terminology
- How to create project-driven budgets and timelines
- How to predict and prevent risks
- Concepts from The Guide to the Project Management Body of Knowledge (PMBOK® Guide)

HOW YOU WILL BENEFIT

- Gain skills that will help you enter a thriving field with increasing career opportunities
- Develop a fundamental knowledge of project management expectations and realities
- Define interpersonal communication skills as they pertain to communicating with stakeholders
- Meet or exceed the educational prerequisites for the CAPM certification
