**\*\*The following are sample numbers for beginning therapists partnering with FamilyWorks, LLC. under supervision. An increased number of hours would yield a greater income and fewer hours, would likewise yield a smaller income. \*\***

NOTE: these numbers are based on 50 weeks

**(Average cost of Medicaid reimbursement for therapists under supervision is \$68; therefore,  $55\% = 37.40/\text{hour session}$ )**

Hours billed per week	Percentage earned	Per Session =	Estimated annual income
<b>25 (full time)</b>	<b>55%</b>	<b>\$37.40</b>	<b>\$46,750</b>

Once fully licensed, insurance pays more for your services!! Now the reimbursement rate is approximately \$78, and FamilyWorks Therapy, LLC increases your percentage 5% (in addition to each 1000 hours you have been with FamilyWorks Therapy, LLC).

*NOTE: The following numbers reflect what a fully licensed professional would make if they started with FamilyWorks Therapy, LLC while under supervision and earned their license in 2 years.  $55\% + 2 \text{ years } (2\%) = 57\% + 5\% = 62\%$*

Hours billed per week	Percentage earned	Per Session =	Estimated annual income
<b>25</b>	<b>62%</b>	<b>\$48.36</b>	<b>\$60,450</b>
