LEARNING SAS® HAS NEVER BEEN EASIER

§sas

Employers want to hire individuals with SAS skills. More than 143,000 job listings included SAS as a desired skill last year. *– Emsi Burning Glass, 2021*

Get started with **sas.com/academics**.

START LEARNING

Use your academic email address to gain access to advanced analytics software for teaching and learning.

SAS® ONDEMAND FOR ACADEMICS sas.com/ondemand	SAS® VIYA® FOR LEARNERS sas.com/viya-learners
Gain sought-after analytical skills with free access to SAS software for statistical analysis, data mining and forecasting.	Get access to the full suite of cloud-based software that supports the entire analytics life cycle – from data to discovery to deployment.

ADVANCE YOUR SKILLS

Learn analytics in the classroom – or on your own time – with resources for students and educators. Sign up for e-learning, certification prep materials and more.

Learning Resources for Students	Teaching Resources for Faculty	Free Educator Workshops
SAS® SKILL BUILDER FOR STUDENTS sas.com/skillbuilder	**SAS® EDUCATOR PORTAL** sas.com/educatorportal	**SAS® ACADEMIC PROGRAMS** sas.com/professor-workshops
Employers want to hire individuals with SAS skills. SAS Skill Builder can help. Log in for 24/7 access to free online courses, certifications, exam prep and student discounts.	Prepare your students for success. The SAS Educator Portal helps you bring analytics into the classroom. Get access to free software, instructional materials, e-learning, certification exam prep and educator discounts.	Expert instructors teach free sessions to educators on a variety of topics from programming to machine learning. You'll receive free course materials, instructor interaction and curriculum materials to help you develop your courses. Some of the workshops are open to students!

GET CERTIFIED WITH HELP FROM OUR EXPERTS

Earn in-demand certifications in advanced analytics, AI and machine learning, data visualization and programming. SAS makes it easy with help from our experts, including:

- Certification preparation materials.
- Full-length practice exams.
- Discounted certification exam vouchers for $75.

These resources are available in SAS Skill Builder for Students and the SAS Educator Portal.
