

# COLLEGE AND CAREER EXPLORATIONS

“

**UC 100 helped me tremendously! I learned about career fields I haven't even thought about before. I also gained skills for being a good employee, working with others and handling tough situations.**

## *An Online Course for High School Students*

### **Prepare for life after high school with College and Career Explorations!**

Through this course, WKU instructors will help you examine academic and career choices based on your career interests and unique abilities. You will enhance your soft skills, increase financial literacy, and develop an actionable plan to meet your goals.

Whether your path leads to college, work, or the military, you will discover answers to questions related to:

- Where do I want to be in five years?
- What education is required?
- What skills will I need?
- How do I prepare myself for success?
