On a separate sheet of paper, please type answers to the following questions:

1. Size of grant request? (Example: \$1,000)
2. How will the grant money be used? (Be specific. Example: \$600 housing, \$200 food, \$200 travel expenses). Approved expenses include: registration fees, room and board expenses, travel expenses, and a stipend if an internship is unpaid.
3. To which internship/educational program are you seeking acceptance? When will you know if you are accepted? What, if any, compensation will you receive from the internship/educational program? (Note: if the program provides room and board for free, you will not be awarded grant money room and board).
4. How will your being awarded a grant benefit you? What do you hope to gain from the internship/educational program?
