<b>Department</b>	

Due to the COVID-19 pandemic, I am requesting an exception/adjustment from face-to-face teaching for the spring 2021 semester because:

- If schools or day-care centers were closed, I will need to care for a child;
- If other services are unavailable, I will need to care for other dependents;
- If public transportation is sporadic or unavailable, I will be unable to travel to work; and/or;
- I or a member of my household fall into one of the categories identified by the [CDC](https://www.cdc.gov/coronavirus/2019-ncov/need-to-work.html) as being at high risk for serious complications from the pandemic virus.
